INTERVIEW SUMMARY

In response to the notice of allowance communication mailed May 3, 2005, the following summary is provided of the interview between Examiner J. Hirl and assignee's representative J. Biernacki on April 27, 2005. The interview was to enter several amendments: to correct a dependency issue (e.g., claim 71) and to modify claims 39 and 72 to recite the phrase "different from the first activation function."

The Examiner is respectfully requested to contact the undersigned in the event that any questions or comments should arise.

Respectfully submitted,

Date: June 3, 2005
